MEMORANDUM FOR: Executive Director-Comptroller

Colonel White:

This is in response to your memorandum to me of 15 July 1970 suggesting that we may need to produce a new [redacted] "Employee Conduct."

25X

This Handbook was rewritten in April 1969 and was fully coordinated by 20 January 1970. Many comments and suggestions were offered which had to be resolved and re-coordinated during that period. Shortly after receiving the DD/P concurrence in January 1970, the DD/P asked that it be held up pending completion of an IG survey of the NE Division which, it was believed, would have some suggestions affecting this subject. The survey was completed, no suggestions were offered, and the Handbook was authenticated. It is being sent to the printers on 16 July 1970 and should be distributed shortly.

MEMORANDUM FOR : Deputy Director for Support

Bob :

I was reminded today that employees are currently going through the semiannual chore of reading [redacted] "Employee Conduct." This Handbook was last revised in October 1963. As far as I know, its content is still valid, but I wonder whether some of our issuances do not clarify or otherwise alter the guidance contained therein.

25X1

Please look into this matter with OGC and let me know whether we need to produce a new Handbook.
